**Mr Duncan Lewis**

The Director-General

ASIO Central Office

GPO Box 2176

CANBERRA ACT 2601

Attention: - Notice To Disclose Information

Subject: - ASIO involvement in The Port Arthur  
Massacre in 1996.

Dear Mr. Director

I am hereby sending this  
“Notice To Disclose Information” request to you  
and your agency there and publicly asking you  
to reveal what exactly was ASIO involvement in  
this massacre please.

From basic research anybody studying this  
False Flag Terrorist Attack upon the people of  
Tasmania and Australia at large knows ASIO  
was NOT in charge of running this operation,  
because if you were in charge of running this  
operation you would of liaised.

The real shooter at the Café` with your staff you had in the Café` and he would not of shot them and other members of the general public.

So with that said!

I have the following questions for you and your staff there to answer please.

- 1) Who was the controller of this False Flag Terrorist Attack?
- 2) Please name the high up politicians who were involved or had knowledge this massacre was being planned?
- 3) Which politicians ordered ASIO to take part in these attacks?
- 4) Who was the handler of the two, possibly three gunman?
- 5) Who were the gunman?

Names and background information please!

- 6) Who at ASIO placed Peter Hazelwood in the Tasmania Premiers Media Section to handle all Media enquires?

7) Who at ASIO placed Geoff Easton in the Tasmania Police Media Section to handle all Media enquires?

8) From the following list of people please officially tell me who were your agents and who were ASIO stand in crisis actors?

Among the dead, there is considerable certainty regarding the intelligence affiliations of Tony Kistan, Andrew Mills and Anthony Nightingale.

Of the survivors, those who have been tentatively identified as spooks include Rob Atkins, Karen Atkins, Lyn Beavis, Justin Noble and Hans Overbeeke.

9) Did ASIO take retribution against the Controller and Shooter at the Café` and Shooters handler via way of killing them off – for killing your own people in the Café`?

Or did ASIO just crawled into their little boxes and let these people and the real shooter off with murdering your people in cold blood!

10) Were any overseas Police or Intelligence Agencies from your knowledge also involved with these attacks?

E.G Israeli Mossad, MI5- MI6 – CIA

Mr. Director and staff at ASIO these are the main questions I have for you to publicly answer, what will become of the information and answers to the questions?

They will be shared with members of my secret group only on Face Book which your well aware I run by now.

Why should you answer these questions?

Why not!

Nothing will be done to your agency for your part you played in this False Flag Terrorist Attack, the Mainstream Media are to busy telling their bull shit stories they make up about Martin Bryant being the lone gunman killer.

So therefore you have no reason why not tell the truth after 22 years plus of this massacre and clear the air with your involvement.

Yours truly  
Lloyd T Vance
